Dave,

Attached are the 3Q and 4Q 2016 Well Owner Reports for transmittal to domestic well owners at the Yerington site.

Apologies for the delay getting you these reports. I have been assured by my team that moving forward the preparation and transmittal of these Well Owner Reports will be a priority and I expect a more timely delivery. I expect to have the 1Q 2017 reports available by the end of October.

Please let me know if you have any questions or would like to discuss further.

Thanks,

-jack
